

HKampman is Seeking a Safety Manager!

About the Role:

Do you thrive in a fast-paced environment where safety is paramount? Are you passionate about creating a culture of well-being for all employees? If so, we want to hear from you!

H Kampman is seeking a highly motivated and detail-oriented Safety Manager to join our team. In this role, you'll play a vital role in ensuring the health and safety of our employees across all projects. You'll develop and implement comprehensive safety plans, conduct thorough inspections, and provide engaging training to foster a proactive safety mindset within the company.

Responsibilities:

- Develop and implement effective safety programs that adhere to legal requirements (Health and Safety Act No. 48 of 2000) and client needs.
- Craft and enforce clear safety policies to establish a strong culture of safety.
- Deliver engaging training sessions and presentations on health and safety practices and accident prevention.
- Conduct regular inspections of workplaces, equipment, and employee practices to ensure compliance with policies and regulations.
- Investigate accidents and incidents to identify root causes and manage worker's compensation claims (if applicable).
- Prepare insightful reports on safety awareness, training initiatives, and potential hazards.
- Stay up-to-date on relevant health and safety legislation and best practices.

Qualifications:

- Proven experience as a Safety Manager in a similar industry.
- In-depth knowledge of South African health and safety regulations (e.g., Health and Safety Act No. 48 of 2000).
- Strong understanding of risk assessment methodologies.
- Excellent attention to detail and observational skills.
- Effective communication and interpersonal skills to engage a diverse workforce.
- SACPCMP qualification and registration (South African Council for the Project and Construction Management Professions) preferred.
- Valid driver's license.
- Ability to thrive in a fast-paced environment, collaborate effectively within a team, and meet deadlines.
- Excellent training and presentation skills.

Why Join H Kampman?

At H Kampman, we believe employee safety is the cornerstone of our success. You'll have the opportunity to make a real difference by building a strong safety culture and fostering a safe work environment for all.

Ready to Apply?

If you're a highly motivated safety professional with a passion for keeping people safe, we encourage you to submit your CV to admin@hkampman.co.za by 25 January 2025.

Please note: While we strive to respond to all applicants, consider your application unsuccessful if you haven't heard back by 5 February 2025.
